Help Build the "Playground by the Sound"

Chambers Bay a place for kids too!

A local treasure

Chambers Creek Properties promises to deliver fun, exercise and beauty for generations of Pierce County citizens.

- World-Class golf course
- Extensive trail system
- Soccer fields
- Mountain to Sound views

But, what about UP's youngest residents?

A need for a Playground by the Sound

Our youngest citizens need exercise too! Currently there is no place for tots and their families to play in a safe, interactive environment. Climbing, sliding, running and jumping on BigToys provide better exercise than being pushed along the trail in a stroller. Also, BigToys promote important social interaction for our children and their families.

To help accomplish this goal, we want to build a fun, top quality, safe play structure on the North Meadow of the Chambers Creek Properties. The tot lot will provide a much needed play ground for families and tots to enjoy the Chambers Creek experience to its fullest in a safe and fun environment.

The "Playground by the Sound" structure will include:

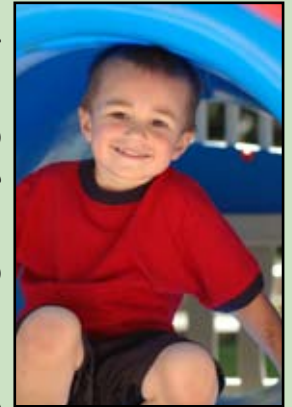

Triple Slide
Curly Climber
Big Wheel
Playshell Traverse
Chinning Bar
Ladder

Banister Bars
Bubble Panels
Mountain Climb
Slide Pole
Swing Set
Rock N Cross

Quick Fact: BigToys are "green" they are made from recycled plastic, steel, renewable wood products and contain no PVC chemicals.

What you can do...

We need \$60,000 in donations to transform this dream of a tot lot into a reality. Your money will help pay for a play structure that is not only safe, but also fosters health and smart play. The money will also be used to purchase top quality, recycled, kid-safe materials so that our tot lot can be built to last.

Please help make the "Playground by the Sound" a reality by making a tax deductible contribution to the City of University Place "Playground by the Sound" fund. Please join your neighbors in creating this lasting gift to your community and your family.

Thank you for your generosity towards the children and families of University Place.

Sunset Terrace is an example of one great place for kids in UP
